**Question No. 1490**

**MS CLAY MLA:** To ask the Treasurer

What is the estimated foregone revenue to the ACT from companies with Exclusion from Groups determinations.

**MR BARR MLA** - The answer to the Member's question is as follows:

Exclusion determinations are administrative instruments issued where group arrangements change and certain entities are no longer part of a particular group for payroll tax. Typically, the entities will become part of another payroll tax group or form a new payroll tax group. The Revenue Office does not estimate the impact of these changes on revenue.
