Question No. 1383
MRS KIKKERT: To ask the Minister for Transport and City Services —

What bus stops in the ACT have ceased to be used (no longer have buses stopping at them as part of any regular routes), since 2016.

MR STEEL MLA - The answer to the Member's question is as follows:

The bus stops listed in the table below have ceased to be in use since 2016. 80% of these are as a result of integrating school services within general services, the introduction of light rail and the commencement of the integrated public transport network.
