RESPONSE TO QUESTION ON NOTICE**Questions on Notice Paper No 45****30 August 2024****Question No. 2104****Asked by MS LEANNE CASTLEY MLA:**

- 1) In relation to parking for staff at the Canberra Hospital, is it the case that there are two levels of parking dedicated to staff that open at 8.30 am; if so, where do staff who start before 8.30 am park.
- 2) What security measures are in place for staff finishing late shifts who have to walk to the carpark across the road from the hospital.

MINISTER STEPHEN-SMITH - The answer to the Member's question is as follows:

- 1) Staff can access Level 5 of the southern multistorey carpark from 7:15am. Level 8 opens at 9:50am. Staff who start prior to these times are encouraged to utilise the carparks on Yamba Drive or the former CIT site on Albermarle Place.

Where able, staff who are on day shifts are encouraged to park further from the campus so that staff working evening and night shifts have parking available to them that is closer to the campus.

- 2) Access to parking on Yamba Drive and CIT carparks has been supported by improvements to lighting, installation of additional CCTV cameras, and actual or virtual escort by security. The courtesy bus also has extended hours of operation to primarily support staff travelling to and from the CIT carpark between 5:30am to 8:00am and 5:00pm to 11:00pm.

Approved for circulation to the Member and incorporation into Hansard.
