

Chris Steel MLA

Minister for Transport and City Services

Minister for Skills

Special Minister of State

Member for Murrumbidgee

RESPONSE TO QUESTION ON NOTICE**Questions on Notice Paper No 30****1 June 2023****Question No. 1240**

MRS KIKKERT: To ask the Minister for Transport and City Services —

- (1) How many trees have been planted on nature strips in the Ginninderra electorate in the last two years.
- (2) How many of these trees were gum trees that are capable of growing over 10m.
- (3) On what streets were these trees planted.
- (4) What agreement was sought from the residents of the property directly behind the nature strips.
- (5) In all cases, was the resident of the property behind the nature strip given notice a tree would be planted there.
- (6) How many trees were not planted after residents declined/refused to have a tree planted on the nature strip outside their homes.

MR STEEL MLA - The answer to the Member's question is as follows:

- (1) 2,022 trees have been planted on nature strips by Transport Canberra and City Services (TCCS) in the Ginninderra electorate in the last two years (from 1 June 2021).
- (2) 688 street trees planted by TCCS during this period were gum trees which are capable of growing over 10m.
- (3) A list of street addresses has been provided at [Attachment 1](#).
- (4) Tree Planting Notices were mailed to residents adjoining the nature strips. If a resident objects to a proposed planting, every effort is made to explain the rationale. If the resident remains unconvinced, the tree is not planted.
- (5) Yes. Before a tree is proposed to be planted on a nature strip, a Tree Planting Notice is mailed to the residence adjoining the nature strip. This notice outlines the number of trees to be planted on the nature strip or laneway adjacent to their home, the species of the new trees, and includes a QR code and web page link that allows the resident to check the proposed location of the new tree or trees. The notice also includes contact details for the Tree planting team or

Access Canberra. On very few occasions on a corner block, there may be a discrepancy between the street location of the tree, and the address of the adjacent resident. In the case of a multi-unit site, the onus is on the Body Corporate to advise residents of the contents of a Tree Planting Notice they will have received.

- (6) TCCS records indicate that 171 trees were not planted in the Ginninderra electorate due to resident refusal during this period.

Approved for circulation to the Member and incorporation into Hansard.

Chris Steel MLA
Minister for Transport and City Services
