RESPONSE TO QUESTION ON NOTICE

Questions on Notice Paper No 1

6 DECEMBER 2024

Question No. 54

MS JO CLAY MLA: To ask the Minister for Health

- 1) How many women and birthing people are there, per month, on the waitlist for midwife led continuity of care models at 36 weeks.

MINISTER STEPHEN-SMITH - The answer to the Member's question is as follows:

- 1) The ACT Health Directorate and Canberra Health Services are unable to report the number of women and birthing people on waiting lists per month for maternity services as data is not currently collected through the Digital Health Record in this way.

Information is regularly collected manually for operational purposes. However, it is not able to be reproduced as a retrospective monthly report due to the data being dynamic and changing daily.

Approved for circulation to the Member and incorporation into Hansard.
