**RESPONSE TO QUESTION ON NOTICE**  
**Questions on Notice Paper No 43**  
**7 June 2024**  
**Question No. 1961**

**MS CLAY MLA:** To ask the Special Minister of State-

Can the Minister provide a list of all ACT Public Service workplaces, including (a) how many staff are based at each workplace, (b) which of the workplaces have end-of-trip facilities and (c) what these facilities include at each workplace.

**MR STEEL MLA** - the answer to the Member's question is as follows:

A full comprehensive list of ACT Public Service workplaces, including health facilities, schools and depots, would require individual directorate input and would be an unreasonable and substantial diversion of resources. The following information relates to the ACT Public Service workplaces managed by Major Projects Canberra (MPC). MPC manage eighty-four (84) ACT Government tenanted sites, which fall under the Special Minister of State portfolio.

The ACT Government tenanted sites managed by MPC are outlined in the following table:

(a) MPC do not have access to staff utilisation rates. This would be a manual task and would be an unreasonable and substantial diversion of resources.

(b) Of the MPC managed assets there are nineteen (19) sites they are aware of that provide End of Trip facilities to ACT Public Service.

(c) The End of Trip facilities in buildings managed by MPC are outlined in the following table:
