Question No. 279

MR BRADDOCK: To ask the Minister for City and Government Services —

1. Given that in parts of “old Ngunnawal” the playgrounds are approximately 15 to 20 years old and have never received upgrades to the equipment, what is the status of the playground upgrades for (a) Gurrang Avenue, (b) Wirria Circuit and (c) Marungul Avenue playgrounds.
2. Will swings be included in the playground upgrades referred to in part (1).

Ms Tara Cheyne MLA – The answer to the Member’s questions are as follows:

1. The ACT Play Space Strategy identifies how play spaces are annually prioritised for upgrade within the ACT. There are no immediate plans for the playgrounds listed above to be upgraded. These playgrounds are considered to be safe and fit for purpose following the latest safety and compliance inspection. The Wirria Circuit playground was repainted in August 2024 and is scheduled to have soft fall top up completed in early May and the Marungul Avenue playground is scheduled to have soft fall top up completed in early May.
2. There are no plans for additional pieces of equipment at any of these sites in the short term.

Approved for circulation to the Member and incorporation into Hansard.
