Question No. 217

MS CARRICK: To ask the Minister for Transport —

In relation to a question taken on notice at the annual reports hearing of the Standing Committee on Environment, Planning, Transport and City Services Committee on 19 February concerning the whole cost to deliver Stage 2A of raising London Circuit, and the response provided by the Minister to that question, given the response did not contain any information about costs, can the Minister advise what is the total cost to deliver Stage 2A of light rail, including the raising London Circuit project, availability payments for the contract, the cost of the planning, directorate costs and Infrastructure Canberra's costs

Mr Chris Steel MLA – The answer to the Member's questions are as follows:

This information is available in the [Assembly Resolution of 08 February 2024 relating to Light Rail Stage 2A](#).

Due to an administrative error, the Question Taken on Notice (QTON) that you have referred to, QTON 41, contained an incorrect website link. The QTON was updated with the correct link and provided to the Standing Committee on Environment, Planning, Transport and City Services Committee on Friday 14 March 2025, and was subsequently published online [here](#).

Approved for circulation to the Member and incorporation into Hansard.
