Questions on Notice Paper No 10 19 September 2025 Question No. 631

Ms Jo Clay MLA: To ask the Minister for Skills, Training and Industrial Relations

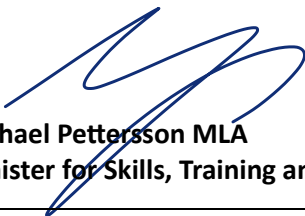

1. What is the “Certificate IV production placements” course referred to during Estimates that the Cultural Facilities Corporation is working with Canberra Institute of Technology (CIT) to offer and where is it available on the CIT website.
2. Does CIT have placements for Certificate III as well.
3. How do the ACT Government and CIT ensure that students completing these certificates have opportunities to work across a variety of theatres in Canberra, and not just the Canberra Theatre Centre.

MICHAEL PETTERSSON MLA - The answer to the Member’s question is as follows:

1. I am advised that CIT offers Certificate III in Live Production and Technical Services and course information can be viewed online at [Certificate III in Live Production and Technical Services : Canberra Institute of Technology](#).
2. See above.
3. The course delivery includes approximately 16 hours industry placement at Canberra Theatre Centre alongside experienced industry professionals. This is a crucial aspect of the course as CTC is the only venue in the region of a scale and sophistication that can provide the full breadth of experience relevant to the skills the students need to learn.

Graduates of the Cert III go on to be employed at a range of ACT live performance venues and businesses.

Approved for circulation to the Member and incorporation into Hansard.
