RESPONSE TO QUESTION ON NOTICE**Questions on Notice Paper No 4****21 MARCH 2025****Question No. 252****MS JO CLAY MLA:** To ask the Treasurer

In relation to the Central Reserve Fund in the Appropriation Bill 2024-25 (No 2), has this funding been appropriated from multiple directorates from unspent money from programs and capital works from those directorates; if so, can the Treasurer detail (a) which directorates contributed and what amount they contributed and (b) what programs and capital works will not go ahead as a result of this appropriation.

CHRIS STEEL MLA - The answer to the Member's question is as follows:

This funding has not been appropriated from directorates unspent money for programs or capital works. The funding was offset by extinguishing existing central budget provisions that were not appropriated to individual agencies.

Requests to access these central provisions were not brought forward through the 2024-25 Budget Review and they are therefore no longer required in 2024-25.

Approved for circulation to the Member and incorporation into Hansard.**Chris Steel MLA**
