Questions on Notice Paper No 26

10 February 2023

Question No. 1047

Asked by Ms Lee MLA –

- (1) Can the Minister advise, for each financial year from 2016-17 to 2021-22, the number of speeding fines issued to the registered owner of a vehicle, that were then re-issued to a different individual.
- (2) For each of those fines listed in part (1), can the Minister advise (a) the reason provided for the re-issue, (b) the number that were disputed prior to the re-issue being done and (c) the number that were disputed after the re-issue was done.

MS CHEYNE MLA - The answer to the Member's question is as follows:

- (1) For the financial years from 2016-17 to 2021-22, the approximate number of infringement notice declarations received and traffic infringements issued by Access Canberra are as follows:

FISCAL YEAR	INFRINGEMENT NOTICE DECLARATIONS	INFRINGEMENTS ISSUED
2016-17	17,051	61,550
2017-18	18,271	67,751
2018-19	18,661	61,715
2019-20	17,827	61,272
2020-21	17,737	62,762
2021-22	46,112	160,320

- (2) (a) There are a range of reasons why an infringement notice declaration will be submitted in response to an infringement notice. These reasons include:
- Known user declaration
 - Sold declaration
 - Unknown user declaration
 - Illegal user declaration
 - Overseas user declaration
- (b) After an infringement notice declaration is processed by Access Canberra, in many cases fines will be re-issued to the nominated party in the declaration. The nominated party has the same avenues of appeal and timeframes as the registered owner. I am unable to provide a breakdown of the information as requested without an unreasonable diversion of resources.
- (c) The infringements notice declaration information includes both speeding, red light camera and parking infringements. I am unable to provide a breakdown of the information as requested without an unreasonable diversion of resources.

Approved for circulation to the Member and incorporation into Hansard.
