Question No. 809

Mr Andrew BRADDOCK MLA: To ask the Minister for City and Government Services -

Can the Minister provide a table showing the number of vehicles registered in the ACT disaggregated by suburb (a) as at August 2021 (ABS Census year) and (b) as at the most recent reliable date for which this data is available.

TARA CHEYNE MLA - The answer to the Member's question is as follows:

Please see below the count of registered vehicles by garaging address as at 10 February 2026. Unfortunately part a cannot be answered by the ACT Government because the garage suburb is only accurate as at the report date. I refer the member to the 2021 ABS census dataset G34.

The following caveats apply to this report:

- * Indicates the garaging suburbs that are on the border of ACT/NSW or are directly outside the ACT.
- ** Indicates vehicles registered in Jervis/Wreck Bay area. These vehicles have ACT registration and plates.
