RESPONSE TO QUESTION ON NOTICE**Questions on Notice Paper No 43****7 June 2024****Question No. 1994****MS CLAY:** To ask the Minister for City Services —

How many public motorcycle parking spots (a) are there in each district in 2024 and (b) were there in each district in 2019.

Tara Cheyne MLA – The answer to the Member's questions are as follows:

Transport Canberra and City Services (TCCS) undertakes parking utilisation surveys for city centre, town centres and other selected centres. Between the survey undertaken in 2018 and 2023 different data collection methods were used to determine the publicly-owned motorcycle parking spaces.

In 2018, TCCS conducted a desktop parking survey using the Signs asset dataset that includes parking signs and associated parameters complemented by aerial photography. In 2023, TCCS commissioned a contractor to undertake public parking utilisation survey that included on-street car parking spaces, as well as privately operated public accessible off-street carparks and motorcycle parking.

The below table outlines the number of marked designated spaces provided for motorcycles in public parking spaces.

DISTRICT	NO OF MARKED SPACES 2018	NO OF MARKED SPACES 2023*
BELCONNEN	32	13
CANBERRA CENTRAL	268	484
GUNGAHLIN	8	58
TUGGERANONG	32	38
WESTON CREEK	2	**8

WODEN VALLEY	50	71
--------------	----	----

*Surveyed locations for Canberra Central included City, Braddon, Turner, Acton Waterfront, Dickson and Yarralumla.

**Weston Creek was not surveyed in 2023. The data for Weston Creek is from 2022 instead of 2023.

Approved for circulation to the Member and incorporation into Hansard.
