Question No. 355

MR CAIN: To ask the Minister for Transport —

1. What was the original contracted cost of raising London Circuit for Light Rail Stage 2A, and was this the lowest bid for the Raising the London Circuit contract.
2. Was the scope of the tender changed at any stage; if so, were all parties who originally bid given the opportunity to re-submit their bid.
3. What is the current forecast cost of raising London Circuit, including known variation.

Mr Chris Steel MLA – The answer to the Member’s questions are as follows:

1. The initial contracted cost is available on the Contracts Register here: <https://www.tenders.act.gov.au/contract/view?id=199210>. The comparative assessment of tenders is commercial in confidence.
2. The scope of works for the Raising London Circuit (RLC) project was consistent throughout the tender process. All of the shortlisted tenderers' submissions were evaluated on an equitable basis in accordance with ACT Government procurement processes and guidelines.
3. The current cost of completion of RLC, including known variations, is available on the Contracts Register per the link provided above.

Approved for circulation to the Member and incorporation into Hansard.
