How many teachers and support staff full-time equivalent, as of the most recent available data, are employed in ACT public schools for (a) pre-schools, (b) primary schools, (c) high schools and (d) colleges.

**YVETTE BERRY MLA** - The answer to the Member's question is as follows:

Pre-school staff are unable to be categorised separately and will be included against the sector that is applicable to their school. Note that multiple school sectors operate pre-school programs.

Casual staff are reported separately as they are not associated with a specific sector.
