**Question No. 40**

**MR RATTENBURY MLA:** To ask the Minister for Corrections —

What is the status of government plans for the expansion of the Alexander Maconochie Centre, and its Transitional Release Centre.

**MARISA PATERSON MLA** - The answer to the Member's question is as follows:

The government is committed to ensuring ACT Corrective Services (ACTCS) custodial facilities are fit-for-purpose, including accommodation aspects.

ACTCS has developed a master plan for the Alexander Maconochie Centre (AMC), outlining the long-term infrastructure needs of the centre, with a key focus on the development of a Reintegration Precinct, the needs of female detainees and the health and wellbeing of all detainees.

While these areas are the primary focus of the master plan, the expansion of the Transition Release Centre and other site upgrades are identified as part of the plan.

Funding for this proposal will be subject to future budget processes.

**Approved for circulation to the Member and incorporation into Hansard.**
