Treasurer

Minister for Planning and Sustainable Development

Minister for Heritage

Minister for Transport

Member for Murrumbidgee

**RESPONSE TO QUESTION ON NOTICE**  
**Questions on Notice Paper No 5**  
**Friday, 11 April 2025**  
**Question No. 269**

**MR BRADDOCK:** To ask the Minister for Transport —

When will the Bus Network Improvement Plan be released and available publicly, given it was referred to in the Government's response to a resolution of the Assembly in December 2024 on bus frequency.

**Mr Chris Steel MLA – The answer to the Member's questions are as follows:**

Referring to my Statement to the Assembly on 18 March 2025,

*“Transport Canberra is currently working on a bus frequency improvement plan that will bring all of these initiatives together so that they can be strategically delivered as incremental uplifts across the term [of government,]... ..this is subject to normal government processes, including community and workforce engagement and budget consideration, and the bus frequency improvement plan will be used to inform future government decisions.”*

New services and increases to service frequency will be staged throughout the term in line with regular network reviews, and the community will be invited to have their say on the proposed routes of new rapid services in their area.

**Approved for circulation to the Member and incorporation into Hansard.**

**Chris Steel MLA**  
**Minister for Transport**

**Date:** 5/5/25
