RESPONSE TO QUESTION ON NOTICE
Questions on Notice Paper No 1
6 December 2024
Question No. 35

MR BRADDOCK MLA - To ask the Minister for Climate Change, Environment, Energy and Water:

When will the Government conduct the next Light Detection and Ranging assessment of Canberra's urban canopy cover.

MINISTER ORR MLA - The answer to the Member's question is as follows:

The ACT Government has a contract in place to collect Light Detection and Ranging (LiDAR) data in January or February 2025. The exact date of data collection is dependent on weather conditions and flight restrictions. Analysis to determine tree canopy cover will be conducted following the LiDAR data collection with publication of Canberra's urban tree canopy cover expected in late 2025.

Approved for circulation to the Member and incorporation into Hansard.
