In relation to the response to question taken on notice No. 34, for the Social Policy Committee Inquiry into Annual and Financial Reports 2023-2024, and the table contained therein, can the Minister provide the same four data columns for the following:

 - c. 31 December 2009,
- (b) Total Properties as per
 - a. 2016 Census Data,
 - b. 2011 Census Data and
 - c. 2006 Census Data and
- (c) the HACT percentage;

If not, can the data be provided to as close as possible to each of the three time periods?

MS YVETTE BERRY MLA - The answer to the Member's question is as follows:

I have been advised by the Health and Community Services Directorate the information sought is not in a readily retrievable form, and that to collect and assemble the information solely for the purpose of answering the question would require a considerable diversion of resources. In this instance, I do not believe that it would be appropriate to divert resources from other priority works for the purposes of answering the Member's question. Please refer to my previous response to [QON 325](#) from the Select Committee on Estimates 2025–2026 for available data.

Approved for circulation to the Member and incorporation into Hansard.
