Question No. 720

MS LAURA NUTTALL MLA: To ask the Minister for Education and Early Childhood

1. What percentage of responses to the ACT School Sponsorship YourSay consultation specifically asked for an exception to be made for community clubs to the ban on gambling companies funding school sponsorships.
2. What percentage of responses mentioned community clubs in any manner.

YVETTE BERRY MLA - The answer to the Member's question is as follows:

1. It is not possible to provide an accurate percentage due to the multiple feedback channels used in the Your Say consultation and how the information was collected. The survey did not specifically seek feedback on gambling as it relates to community clubs.

Gambling was listed as a possible prohibited sponsor category in surveys and 100% of respondents supported excluding businesses that conduct their primary business in gambling. The suggestion that community clubs be considered for sponsorship on case-by-case basis came through as a consistent theme from consultation participants including in workshops and free text responses.

2. As above.

Approved for circulation to the Member and incorporation into Hansard.
